

On one Halloween night a little girl called Annika went trick or treating with her friends. When they were at their 4th house, they got stumped. Because the house looked like an old house, almost like a haunted house and there was a sign that said: "Turn around". But as kids are, they didn't listen to the sign and went to the door and knocked. But suddenly the door just creaked open. The kids got scared and wanted to go back, when the brave boy David said: "Don't be such babies! Come on, let's go inside!" They gave in and snuck in. As they looked around Marta stepped on some broken glass and she screamed: "AHHH!" THEY ALL STARTED SCREAMING. All of them thought there were ghosts in the house! They all looked around nervously until Annika shouted: "Hey guys come here I've found something." Annika's friends came and they disgustfully said: "Eh!!" Actually, it was just an ugly malden pumpkin. All of a sudden they heard footsteps. At the end they found out that it was just Sherlock the dog and they bursted out laughing. The end!
